Weatherford College Board of Trustees Consent Agenda

DATE: February 14, 2019 **AGENDA ITEM #**4.d.

SUBJECT: AA/AS Field of Study (FOS) Degree Designations

INFORMATION AND DISCUSSION: Mr. Endy will share information with the Board of Trustees about the proposal to modify the institution's Associate of Arts and Associate of Science general degrees to include specific majors and the coding associated with these foci. This change will advance WC's efforts to clarify and specify pathways for degree completion while allowing those with a less concentrated focus to continue to pursue the generic AA and AS options. The first batch of proposals offered for Board of Trustees' consideration feature FOS approved by the Texas Higher Education Coordinating Board (THECB). We will approach the Board later this spring with proposed degree options for several fields which have yet to be associated by the THECB with mandated FOS curricula. The proposed degree options are:

Biology AS

Business Administration AA

Chemical Engineering AS

Civil Engineering AS

Computer Science AS

Criminal Justice AA

Economics AA

Electrical Engineering AS

English Language and Literature AA

Mechanical Engineering AS

Music AA

Political Science and Government AA

Psychology AA

Social Work AA

Sociology AA

RECOMMENDATIONS: That the Board of Trustees approve the AA/AS Field of Study (FOS) Degree Designations as presented.

Weatherford College Board of Trustees Consent Agenda

DATE: February 14, 2019 **AGENDA ITEM #**4.e.

SUBJECT: Consent Agenda: Extension of #RFP-04-13 Depository Bank Services

INFORMATION AND DISCUSSION: In 2013, the College completed a formal Request for Proposals to all interested bank depositories in the area. Based upon the proposed interest and fees offered, Prosperity Bank was selected as the best value to the College for the two year period ending August 31, 2015, along with two optional two-year extensions. The College exercised its two optional two-year extensions through August 31, 2019.

Due to the implementation of the new Colleague software for the new ERP system, the administration is recommending an extension of the Depository Contract for one more year in anticipation of any changes in specs that would be required. In addition, based upon the revenue generated, the fees expended and the services provided during the past six fiscal years, the administration recommends extending the contract for depository bank services for an additional one year beginning September 1, 2019 through August 31, 2020. The services performed by Prosperity Bank have met all agreed deadlines and requirements of the School Depository Act and Chapter 45 of the Texas Education Code.

Attached you will find a commitment from Prosperity Bank for an additional one year extension.

RECOMMENDATION: That the Board of Trustees approves Prosperity Bank for depository bank services for a period of one year beginning September 1, 2019 through August 31, 2020.

Weatherford College Board of Trustees

DATE: February 14, 2019 **AGENDA ITEM:** 5

SUBJECT: TASB Policy Service Update #35

INFORMATION AND DISCUSSION: Weatherford College utilizes the Texas Association of School Boards (TASB) Policy Service for legal and local policies contained in the *Weatherford College Board Policy Manual*. TASB provides ongoing updates for college districts to ensure that the *Manual* is current and reliable. The most recent update by TASB is #35.

TASB updates legal policies in the *Manual* based on changes in state or federal laws. Board of Trustees action is not permitted on legal policies since they are mandated through state or federal law. However, it is recommended that the Board review updates to the legal policies.

In addition, TASB recommends updates to "local" policies, which the Board of Trustees may approve as written, or amended, to ensure that the College's local policies are consistent with recent changes in legislation and legal policies. Below are the Local policies included in Update #35, along with explanatory notes regarding the recommended changes:

ATTACHMENT: Update #35 Local Policy Comparison Packet

SUBMITTED BY: Ralinda Stone

Executive Director, Human Resources

(LOCAL) Policy Comparison Packet

This packet is generated by an automated process that compares the updated policy to the district's current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)

Policies recommended for deletion are not included. If you want to include the text of these policies in the information given to the Board, you may download them from *Policy On Line*.

Annotations are shown as follows.

- Deletions are shown in a red strike-through font: deleted text.
- Additions are shown in a blue, bold font: new text.
- Blocks of text that have been moved without alteration are shown in green, with
 double underline and double strike-through formatting to distinguish the text's
 destination from its origin: moved text becomes moved text.
- Revision bars appear in the right margin, as above.

Note: While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes makes formatting changes appear tracked, even though the text remains the same.

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.
