 - Dr. Scott Tarnowiecky, professor of history and chair of the WC Social Science Department recently led the inaugural Interdisciplinary Academic Conference.

Victor Castro, Machenzie Williams, and Erin McGuire.

- Weatherford College donors, the WC Foundation, Brent Baker and team for the exceptional giving that has recently occurred at WC.
- Weatherford College has been nominated for large business of the year by the East Parker Chamber of Commerce for the first time in WC history.

b. Employment Notices –

DMAC (Local) requires the College President to provide the names of contract employees that have resigned since the last board meeting. In accordance with this policy, the following individuals have submitted resignations:

- Elizabeth Speer, Acquisitions Librarian, resigned

c. Legislative Update –

Senate Bill 2 and House Bill 2 have the potential to reduce our property tax revenue streams from the current 8% rollback rate down to 2.5%. Given our student population growth, such a legislative change would make it very difficult for Weatherford College to even keep pace with inflation. Updates will be given as the legislative session progresses.

hour, or 8%, bringing the total rate to \$132.00. Out-of-state rates would increase by \$15.00 per semester credit hour, or 8%, bringing the total out-of-state rate to \$202.00. Differential tuition would increase by \$20.00 in strong demand programs. The ADN-A&P test fee would increase from \$25.00 to \$30.00 to cover increases in the direct expense plus administrative costs. An addition of a HESI A2 testing fee at a charge of \$55.00. Mr. Grizzard made the motion to approve the 2019-20 tuition and fees as presented. Ms. Coody seconded and the motion carried unanimously. *Attached are the recommendations from the Tuition and Fees Advisory Committee and the schedule of Proposed Tuition, Miscellaneous Charges and Course Fee Changes.*

**Weatherford College Board of Trustees
Consent Agenda**

DATE: April 11, 2019

AGENDA ITEM #4.e

SUBJECT: Consideration and Possible Action: Annual Contract for the Purchase of Fleet Vehicles #RFP-03-19

INFORMATION AND DISCUSSION: The current Weatherford College vehicle fleet has several aging vehicles that require constant maintenance and repairs. Therefore, Request for Proposal #RFP-03-19 Annual Contract for the Purchase of Fleet Vehicles was solicited in order to replace these vehicles as needed.

A total of five (5) vendors; James Wood Motors Inc.; Jerry's GM; Roger Williams Jeep Chrysler Dodge; Southwest Chevrolet (d.b.a. Gilchrist Automotive), and Southwest Ford (d.b.a. Gilchrist Automotive) submitted competitive sealed proposals that meet our specifications and offer the best value on vehicles requested. Funds have been allocated in the current FY19 budget; and proposed in the FY20 budget, for the purchase of the vehicles required. The proposal evaluation criteria reviewed include the cost to the College, the extent to which the vehicles meet the college's needs, the delivery timeline and the College's experiences with the vendors.

Based on the evaluation and review of the sealed proposals, Dr. Andra R. Cantrell, Executive Vice-President of Financial & Administrative Affairs, Lisa Simons, Budget Management Coordinator, Jeanie Hobbs, Director of Purchasing, and Toni Martin, Purchasing Buyer recommend Jerry's GM and Roger Williams Jeep Chrysler Dodge be awarded as primary vendors and James Wood Motors and Southwest Ford (d.b.a. Gilchrist Automotive) be awarded as secondary vendors, which will allow Weatherford College to purchase any of the requested vehicles from the vendor offering the best value on an as needed basis as well as negotiate pricing on any additional vehicles required. Pricing is based on a varied selection of vehicles shown on the tabulation.

At this time, it is being recommended to award a 2019 Chevrolet Suburban at a cost of \$41,640.00 to Jerry's GM. Also being recommended for award is a 2019 Jeep Grand Cherokee Laredo from Roger Williams Jeep Chrysler Dodge at a cost of \$24,579.00.

RECOMMENDATION: The Board of Trustees award proposals to vendors as presented.

AGENDA ITEM #5

SUBJECT: Consideration and Possible Action: Cultural Enrichment Transfer Rate

INFORMATION AND DISCUSSION: Weatherford College currently transfers funds to the auxiliary fund to offset expenditures related to athletics, student activities and newspaper/annual cost. The transfer rates were adopted in the early 1970's and were based upon a transfer rate of \$0.15 per semester credit hour for the newspaper/annual, \$0.20 for athletics and \$0.25 student activities. In 2014, the board of trustees approved a rate increase for the athletic rate to \$8.15 and the student activities rate to \$0.35 per semester credit hour to assist in funding those needs.

Recently it has come to the administration's attention that the newspaper transfer is no longer necessary due to the decision made to do away with college newspapers and annuals because of declining interest. Under Dr. Farmer's leadership, there has been an emphasis placed on strategic realignment and a renewed emphasis on cultural enrichment through such initiatives as the Steinway initiative and other fine art programs. Because of the effort to realign college resources to meet the strategic initiatives mentioned, the administration is recommending that the transfer rate of \$0.15 once utilized to fund newspaper and annual/activities now be utilized to fund cultural enrichment activities for students and the community. Based upon the needs presented from the fine arts strategic expansion, it is also recommended that the transfer rate for cultural enrichment be effective in the 2018-19 fiscal year to fund cultural enrichment activities for students and the community immediately. Based upon the 2017-18 credit hours, this transfer rates will generate approximately \$15,000 in auxiliary funds to be used for cultural enrichment activities.

RECOMMENDATION: That the Board of Trustees approve the cultural enrichment transfer rate of \$0.15 per semester credit hour to auxiliary fund replacing the previous newspaper/annual transfer rate of \$0.15 per semester credit hour no longer needed. This action will effective for the 2018-19 fiscal year.
