President Tod Allen Farmer gave the following recognitions and employee notices

- a. Recognitions:
  - Weatherford College faculty and staff have done an absolutely amazing job of moving all academic courses at every campus in the Weatherford College system to an online format in response to COVID-19. Over 1,000 courses were moved to a fully online format. From technology workers who worked through spring break to create new Internet hotspots and distribute technology devices, to housing team members who rapidly vacated hundreds of students from our residence halls and helped international students return home, to student services team members who have been reaching out to students electronically to help with a variety of services, it has truly been a remarkable team effort during these extraordinary times.
  - Weatherford College Foundation President Bob Glenn and our many generous donors who, in just a few days, raised thousands of dollars for our student emergency fund. Many of our students have been laid off and are experiencing financial difficulties. Thank you Bob Glenn, Brent Baker, and all our donors for helping our students during their time of need.
  - The 2nd Annual Weatherford College International Piano Competition has transitioned to a digital format due to COVID-19. Seventy-five applicants sent in performance videos that were judged by three preliminary judges, and 20 finalists were chosen for the final round. The pianists are from all over the country, several with homes outside

of the US, studying at colleges, universities, and conservatories all over the US. The winner will be announced on April 25th. We wish each of the 20 finalists the best of luck and thank them for sharing their talents with us.

- The Weatherford College baseball team for ranking 2nd in the nation in stolen bases. The Coyotes had 104 stolen bases in a total of 27 games. The NJCAA cancellation of spring sports last month, and the cancellation of College National Finals Rodeo yesterday was disappointing but necessary to ensure student safety. We wish all of our student athletes the best as they process this disappointment and begin to look forward to next season. Go Coyotes!

Weatherford College is seeking to purchase a Comprehensive Chatbot System for Increased Student Success for the purpose of improving student experience through enhanced communication, after hour availability, staff augmentation, and the capacity to improve the quality of information provided to our constituents through the analysis and refinement of the data that the system collects. A Request for Proposals (RFP) was sent out to interested companies on February 25, 2020 and returned at 2:00 p.m., March 13, 2020. Three companies responded to the RFP for this system, which included AdmitHub, Inc., Ivy.ia, Inc. and Ocelot, who all met the specifications. The selection process included a review of the proposals by members of the Selection Committee: Adam Finley, Ryan Dickerson and Greg Shrader. According to Texas Education Code 44.0352, the district shall select Comprehensive Chatbot System for Increased Student Success RFP#05-20 the proposal that offers the best value to the district based on the published selection criteria and on its ranking evaluation. In determining the best value for the district, the district is not restricted to considering the price alone but may consider other factors stated in the selection criteria. The specifications contained established criteria explaining how each company would be evaluated, which included: System capability and functionality – 40%, Total cost of ownership including first three years of maintenance - 25%, Conversion, implementation and training – 25%, Continuing support services and product viability -10%. Based upon the evaluation of the criteria ranking and the justifications submitted by the selection committee, the members consider Ivy.ia, Inc. to represent the best value on the Comprehensive Chatbot System for Weatherford College due to their superior functionality as well as ability to integrate with our Colleague and Canvas systems. The recommendation was that the Board of Trustees award proposal to vendor as presented along with authorization to enter into a contract with the vendor subject to General Council review and approval.

AGENDA ITEM: #7

**SUBJECT:** TASB Policy Service Update #37

**INFORMATION AND DISCUSSION:** Weatherford College utilizes the Texas Association of School Boards (TASB) Policy Service for legal and local policies contained in the *Weatherford College Board Policy Manual*. TASB provides ongoing updates for college districts to ensure that the *Manual* is current and reliable. The most recent update by TASB is #37.

TASB updates legal policies in the *Manual* based on changes in state or federal laws. Board of Trustees action is not permitted on legal policies since they are mandated through state or federal law. However, it is recommended that the Board review updates to the legal policies.

In addition, TASB recommends updates to "local" policies, which the Board of Trustees may approve as written, or amended, to ensure that the College's local policies are consistent with recent changes in legislation and legal policies. Below are the Local policies included in Update #37, along with explanatory notes regarding the recommended changes:

Policy Code	Action	Explanatory Note		
BBF (Local)	REPLACE	The General Appropriations Act, HB 1, Article III, p. III–257, requires college		
	policy	districts, prior to expending funds appropriated by the Act, to submit an ethics policy to the Coordinating Board that is applicable to the board and specifically addresses sexual harassment. Based on this provision, recommended revisions to this local policy clarify the board's obligation to adhere to all state and federal laws and college district policies and to prohibit the board from engaging in conduct that constitutes unlawful discrimination and harassment.		
BBI (Local)	REPLACE policy	Recommended revisions to this local policy add a cross reference to GCB(LOCAL) addressing the SB 944 requirement that a board member who maintains public information on a privately-owned device must submit it to the college district or preserve it.		
BD (Local)	<b>REPLACE</b> policy	Recommended revisions to this local policy reflect a change to the deadline for a meeting called due to an emergency or urgent public necessity as a result of SB 494.		

BDB (Local)	<b>REPLACE</b> policy	Recommended revisions to this local policy address the HB 2840 requirement that college districts allow each member of the public who wants to comment on agenda items of an open meeting to do so prior to or at the time the items were considered. This policy limits public comment to agenda items at special meetings, permits public comments on all matters at regular board meetings, and imposes a time limit per individual.	
CAK (Local)	<b>REPLACE</b> policy	<ul> <li>HB 2706 allows investment of bond proceeds or pledged revenue only to the extent permitted by the Public Funds Investment Act and in accordance with relevant statutory provisions and the college district's local investment policy. Based on these new provisions, the policy revisions authorize investment of bond proceeds and pledged revenue to the extent allowed by law.</li> <li>Please note: Your locally developed language remains unchanged the other authorizement.</li> </ul>	
CF (Local)	<b>REPLACE</b> policy	<ul> <li>throughout the policy.</li> <li>Recommended revisions to this local policy clarify the roles of the college president and the board in relation to purchasing procedures and methods under state and federal law.</li> </ul>	
CGC (Local)	REPLACE policy	Recommended revisions to this local policy address the SB 11 requirements for the college district's emergency operations plan to include adequate communications technology and infrastructure.	
CHA (Local)	REPLACE policy	Recommended revisions to this local policy clarify authority of college district peace officers, including the enforcement of college district rules and regulations.	
CHF (Local)	REPLACE policy	In response to HB 446, which decriminalizes knuckles, this local policy adds a local prohibition on the use, possession, or display of knuckles.	
CIA (Local)	REPLACE policy	Based on HB 1962, recommended revisions to this local policy reflect a change in terminology addressing legal compliance of records control schedules from "declaration" to "certification."	
CS (Local)	REPLACE policy	Recommended revisions to this local policy address the Administrative Code requirements regarding information security now applicable to college districts as a result of SB 64.	
DGC (Local)	<b>REPLACE</b> policy	Recommended revisions to this local policy address the SB 18 requirement to develop an employee expression policy. Cabinet recommends the references to "vice president of financial and administrative services" be updated to reflect "vice president academics and student affairs".	
DGD	DELETE	This local policy addressing employee use of facilities is recommended for	
(Local)	policy	deletion. DGD is no longer an active code.	
DH (Local)	REPLACE policy	Recommended revisions to this local policy add a cross reference to GCB (LOCAL) addressing the SB 944 requirement that an employee who maintains public information on a privately-owned device must turn it over to the college district or preserve it. In addition, revisions prohibit the gift or sale of tobacco products or e-cigarettes by employees to a person in	

		violation of law in accordance with SB 21. Revisions remove the definition
		of <i>e-cigarette</i> , replacing it with a cross reference to policy FLBD where the definition and related definitions are located. HB 1325 authorizes the cultivation, possession, transportation, or sale of hemp on college district
		property in certain circumstances. Finally, HB 1518 prohibits the regulation
	400	of the possession, sale, or distribution of Dextromethorphan.
DHC (Local)	ADD	Based on HB 621, this policy is recommended for inclusion in the college
	policy	district's local manual to address the prohibition of adverse actions against employees who report child abuse or neglect.
DIAA	REPLACE	Recommended revisions to this local policy address the SB 212
(Local)	policy	requirements related to reporting sexual harassment, assault, dating violence, and stalking.
EFCD	REPLACE	Recommended revisions to this local policy provide the board the option
(Local)	policy	to charge fees related to the administration of high school equivalency
		tests if permitted by the Texas Education Agency and the test provider.
		Currently, a college district that offers the HiSET test may charge a test
		center fee in addition to that required by the Educational Testing Service.
		Texas Education Agency, Test Information at a Glance,
		tea.texas.gov/Student_Testing_and_Accountability/Certificate_of_High_S chool_Equivalency/Test_Information_At_A_Glance.
FFDA	REPLACE	Recommended revisions to this local policy address the SB 212
(Local)	policy	requirements related to reporting sexual harassment, assault, dating
		violence, and stalking.
FKC (Local)	REPLACE	Recommended revisions to this local policy address the SB 18 requirement
	policy	to not deny the registration of a student organization based on its
		viewpoints. Cabinet recommends the references to "executive director
		of student development" be updated to reflect "associate dean of
		student development".
FLA (Local)	REPLACE	Recommended revisions to this local policy address the SB 18 requirement
	policy	to develop a student expression policy.
FLAA	DELETE	This local policy addressing student expression is recommended for
(Local)		deletion. FLAA is no longer an active code.
FLB (Local)	REPLACE policy	In response to HB 446, which decriminalizes knuckles, this local policy adds a local prohibition on the use, possession, or display of knuckles. A cross
	ροπογ	reference for more information on tobacco and e-cigarettes has been
		added.
GCB (Local)	REPLACE	Recommended revisions to this local policy relate to the method by which
	policy	public information requests must be made and address the suspension of
		the Texas Public Information Act during a catastrophe as permitted by SB
		494.
GD (Local)	REPLACE	

		references to "vice president of financial and administrative services" be updated to reflect "vice president academics and student affairs".	
GDA	REPLACE	Recommended revisions to this local policy remove the definition of e-	
(Local)	policy	cigarette. A cross reference to policy FLBD, where the e-cigarette definition	
		and related definitions are reflected, has been added.	

**RECOMMENDATION:** That the Board of Trustees add, revise, and/or delete Local policies as indicated above and as recommended by Cabinet and by TASB Policy Service Update #37.

## (LOCAL) Policy Comparison Packet

This packet is generated by an automated process that compares the updated policy to the district's current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)

Policies recommended for deletion are not included. If you want to include the text of these policies in the information given to the Board, you may download them from *Policy On Line*.

Annotations are shown as follows.

- Deletions are shown in a red strike-through font: deleted text.
- Additions are shown in a blue, bold font: new text.
- Blocks of text that have been *moved* without alteration are shown in green, with double underline and double strike-through formatting to distinguish the text's destination from its origin: <u>moved text</u> becomes <u>moved text</u>.
- *Revision bars* appear in the right margin, as above.
- **Note:** While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes makes formatting changes appear tracked, even though the text remains the same.

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.
