WF/CE Spring & Summer Registration opens and packets accepted beginning December 1
Keep until August 2016
The mission of the Workforce & Continuing Education Division of Weatherford College is to provide quality education and training for individuals, assist business and industry in upgrading their workforce, and maintain an instructional environment that fosters continued growth and professional development.

**HOW TO REGISTER**

- Obtain Registration Packet to determine program requirements
- Complete all requirements in packet*
- Explore financial aid & scholarship opportunities
  - See page 30
- Turn in completed packet beginning December 1 to any WF/CE office
  - See locations and hours below
- You will be notified within 10 business days upon receipt of packet as approved for registration or of incomplete packet
- Upon approval, you will be registered
- Pay tuition and parking fees at time of registration
  - We accept cash, checks, money orders, American Express, Discover, MasterCard, Visa and debit cards
- Questions or concerns? Visit with program coordinator
  - Call 817-598-8870

* For classes without prerequisites or requirements, complete registration form on page 35 beginning December 1. You may register in person, by mail, or secure fax line to locations below.

Ophthalmic Assistant - $999
Pharmacy Technician - $1,399

REGISTRATION PACKETS ACCEPTED BEGINNING DECEMBER 1 AT ALL WF/CE OFFICES
To protect your health and the health of patients, the State of Texas has implemented a system of required immunizations for all healthcare students in direct patient contact. The following immunizations must be complete and approved prior to registration in any healthcare clinical/practicum/externship program. Students will be immediately withdrawn with no refund issued if found to have falsified information or if immunizations are not complete.

- **HEPATITIS B (SERIES OF 3 SHOTS)** – entire series or positive titer* must be completed prior to registration. There is now a three month fast track Hepatitis B, three shot series available. The schedule is as follows: *(This only applies to a student who does not have enough time to get the regular 4-6 month series.)*
  - 1st shot
  - 2nd shot - 1 month after 1st shot
  - 3rd shot - 2 months after 1st shot
  (Students may register for any healthcare program requiring immunizations after the first three shots are given.)
  - 4th shot booster - 12 months after 1st shot. If booster is not obtained, the student will lose immunity and be required to start the series over.

- **MEASLES, MUMPS, RUBELLA (MMR)** – born before 1957 – one dose or positive titer* is required, born in or after 1957 – two doses one month apart or positive titer* required.
  - OR INDIVIDUALLY –
    - MEASLES – born in or after 1957 – two doses one month apart administered since January 1, 1968 or positive titer* is required
    - MUMPS – born in or after 1957 – one dose or positive titer* is required
    - RUBELLA – one dose or positive titer* is required

- **TETANUS/DIPHTHERIA/PERTUSSIS (Tdap)** – one dose within the past 10 years is required. (Pertussis is required, Td will not be accepted).

- **TUBERCULIN SKIN TEST (TB)** – negative reading within 12 months of course completion date or chest x-ray is required.

- **VARICELLA (CHICKEN POX)** – two doses unless first dose is prior to age 13, report of a positive titer*, or documented date of illness is required.

*A titer refers to the amount of antibodies found in a patient’s blood. Antibody titers can indicate immunities to diseases.*

Immunization fees are the responsibility of the student. Student must submit acceptable documentation that shows proof of current immunizations and/or titers.
Certain classes may have additional requirements. See course information for specific requirements.

- High School Diploma, GED or college transcript (except CNA)
- Valid Driver’s License (DL) or photo ID and signed Social Security (SS) card
- Urine Drug Screen – Must be 9 or 10 panel with itemized negative results from a lab completed NO MORE THAN 30 DAYS PRIOR to clinical/practicum (Instant results and 5-panel not accepted). Drug screen fees are the responsibility of the student.
- Current certification in CPR for Healthcare Providers - 4 hour class (2 year certification) prior to clinical (Provided in some programs.)
- Satisfactory Criminal Background Check (WC is responsible for processing.)
  - A criminal background check will be conducted on each applicant prior to registration. Results of this report may prevent a student from being approved to register for a program or from attending clinical/practicum/externship in some areas and from obtaining licensure through the Texas Department of State Health Services. The following histories will disqualify an individual from consideration in some healthcare programs and clinical rotations:
    - Felony convictions
    - Misdemeanor convictions or felony deferred adjudications involving crimes against persons (physical or sexual abuse)
    - Misdemeanor convictions related to moral turpitude (prostitution, public lewdness/exposure, etc.)
    - Felony deferred adjudications for the sale, possession, distribution, or transfer of narcotics or controlled substances
    - Registered sex offenders
    - Other charges will be reviewed and considered based on specific program requirements and restrictions
- Students are encouraged to acquire current personal health insurance. It is the responsibility of the student to obtain and purchase health insurance. Weatherford College will not be responsible for any injuries sustained by the student during classroom, laboratory, clinical, or extern site. A possible source of student insurance is www.ejsmith.com.
ALCOHOL EDUCATION

ADULT ALCOHOL COUNSELING CLASS
Six-hour adult alcohol counseling class which meets the occupation license alcohol counseling requirement for individuals whose license has been suspended under Chapter 524 or 724 of the Transportation Code. Topics to include: physiological effects of alcohol, drinking patterns, and resource/strategies for reduced alcohol consumption. Maximum enrollment - 17 students. Students MUST attend all sessions of scheduled class. 2 classes/6 clock hrs

TEXAS DWI EDUCATION PROGRAM
Required six-hour education class for individuals that have been ticketed for under-age alcohol violations. Time includes a 30 minute registration and exit interview. This class is certified by the Texas Department of State Health Services and satisfies the State of Texas criteria for minors under 18 years of age. Students MUST attend all sessions of scheduled class. 2 classes/7 clock hrs

BUSINESS & PROFESSIONAL

PROFESSIONALISM IN THE WORKPLACE CERTIFICATE
This 16-hour certificate covers the following topics which will teach and motivate attendees to improve personal effectiveness and create habits of success:

- Attitude and how it impacts your company, customers and colleagues
- Appropriate dress and professional behavior
- Business etiquette
- Key elements of good communication
- Working effectively as a team
- Personal accountability
- Customer service
- Ethics
- Problem solving techniques to complete tasks
- Effective work habits
- Time management

These classes are scheduled as part of the Computer Skills for Business Certificate, call office for availability. Dates subject to change. Customized trainings can be scheduled for groups of 6 or more.
CERTIFIED NURSE AIDE (CNA)

CNA PROGRAM REQUIREMENTS:
To be considered for admission, it is the responsibility of the applicant to ensure that all program requirements are completed. Approximately a three-month program. Cost is $750 plus black scrubs and patch. Program includes textbook, workbook, certification exam, CPR course, and student liability insurance. Online registration is not available for this program. Maximum enrollment – 10 students.

NOTE: Students who are pregnant will need a doctor’s release in order to participate in the program and take the certification test.

REQUIRED PRIOR TO REGISTRATION:
- Read, write, speak and understand English
- Satisfactory Criminal Background Check (WC is responsible for processing.)
- Valid Driver’s License (DL) or photo ID and signed Social Security (SS) card
- ALL state required immunizations (see Page 4)
- Immunization fees are the responsibility of the student.

REQUIRED PRIOR TO CLINICAL:
- Urine Drug Screen – Must be 9 or 10 panel with itemized negative results from a lab completed NO MORE THAN 30 DAYS PRIOR to clinical (Instant results and 5-panel not accepted).
- Drug screen fees are the responsibility of the student.
- Current certification in CPR for Healthcare Providers - 4 hour class (2 year certification) required and provided before clinical.

REQUIRED ON STATE TEST DAY: NO EXCEPTIONS
- Signed and non-laminated social security card (copy will not be accepted).
- Signed, not expired driver’s license or other signed photo bearing identification.

STUDENTS WILL NOT BE ALLOWED TO TEST WITHOUT ABOVE REQUIRED DOCUMENTS! FAILURE TO HAVE REQUIRED IDENTIFICATION WILL RESULT IN FORFEITURE OF WEATHERFORD COLLEGE PAID TEST FEES. STUDENT WILL BE REQUIRED TO PAY FOR RE-TEST FEES.

TEXTBOOK DISTRIBUTED ON FIRST DAY OF CLASS.

CERTIFIED NURSE AIDE (CNA)
Preparation for entry level nursing assistants to achieve a level of knowledge, skills, and abilities essential to provide basic care to residents of long-term care facilities and patients in hospitals. Topics include resident’s rights, communication, safety, observation, reporting and assisting residents/patients in maintaining basic comfort and safety. Emphasis on effective interaction with members of the health care team. CPR for Healthcare Providers required and provided before clinical. Students under the age of 18 must have signed parental consent. Patch and black scrubs required.

INTRODUCTION TO MECHANICAL DRAFTING
Introduction to mechanical drafting using Inventor software, no experience with CAD required. Students will gain an understanding of 3D drafting fundamentals and execution of Inventor software. Study of mechanical drawings using dimensioning tolerances, sectioning techniques, orthographic projection and pictorial drawings. Textbook required. 64 contact hrs

EDUCATION CENTER AT MINERAL WELLS
DFTG1033 NEW CLASSES BEGINNING IN FALL 2016

3D SOLID MODELING/DESIGN
A computer-aided modeling course. Development of three-dimensional drawings and models from engineering sketches and orthographic drawings and utilization of three-dimensional models in design work. This is an advanced course, completion of DFTG1033 or equivalent suggested. Inventor software. Familiarity with parametric drafting techniques required. Textbook required. 64 contact hrs

EDUCATION CENTER AT MINERAL WELLS
DFTG2040.M16 1/22-3/19 F & 6:00PM-9:00PM ECMW 107 $480+BK S 8:00AM-1:00PM ECMW 107

ARCHITECTURAL DRAFTING-RESIDENTIAL
This course is an introductory architectural drafting class using Revit software, no experience with CAD is required. Students will develop a complete set of house plans using Revit. This course covers architectural drafting procedures, practices, and symbols; preparation of detailed working drawings for residential structures; and emphasis on light frame construction methods. Textbook required. 64 contact hrs

DFTG1017.M17 3/25-5/21 F & 6:00PM-9:00PM ECMW 107 $480+BK S 8:00AM-1:00PM ECMW 107

COMPUTER-AIDED DRAFTING & DESIGN

COMPUTER-AIDED DRAFTING CERTIFICATE
The Computer Aided Drafting Certificate classes are held in our new CAD lab on the Mineral Wells campus. Students will be trained in drafting fundamentals, techniques, and execution of software. Participants must successfully complete 256 hours of coursework. Total cost is $1,920 plus textbooks. No prior drafting experience is needed to begin this program; however students must have basic computer skills. Courses may be taken individually. Maximum enrollment - 14 students.

DFTG 1009 Basic Computer-Aided Drafting 64 hrs
DFTG 1033 Mechanical Drafting 64 hrs
DFTG 2040 3D Solid Modeling/Design 64 hrs
DFTG 1017 Architectural Drafting 64 hrs

BASIC COMPUTER-AIDED DRAFTING
This is an introduction to drafting course using AutoCAD software; no experience with CAD is required. Students will gain an understanding of 2D drafting fundamentals and execution of AutoCAD software, plotters, printer and computers. Emphasis is placed on setup creating and modifying geometry, storing and retrieving pre-defined shapes; placing, rotating and scaling objects, adding text and dimensions, using layers, coordinate systems and plot/print to scale. Textbook required. 64 contact hrs

DENTAL ASSISTANT PROGRAM

DENTAL ASSISTANT PROGRAM
Weatherford College in partnership with Condensed Curriculum International, Inc. is offering a Dental Assistant training program. Approximately a three-month program.

PROGRAM SUMMARY: This program prepares students for entry level positions as a chairside dental assistant in a dental office. The Dental Assistant program will cover key areas and topics exposing the student to both classroom and hands-on instruction. The classroom instruction reviews the necessary anatomy, terminology, legal and ethical issues as well as the policy and guidelines necessary to understanding the scope of practice and the practical aspects of dental assisting. Topics include instrument identification, equipment maintenance, tooth structure and oral cavity anatomy, dental anesthesia, sterilization, and charting. This program includes 100 hours of classroom lecture and hands-on labs and the optional off-site externship of 80 hours to provide students with a comprehensive learning experience.

To be eligible for the externship, students must successfully complete the 100 hour program.

CERTIFICATION: Upon successful completion of the program, graduates will receive a Weatherford College certificate of completion. This 100-hour course includes a CPR certification course and covers the relevant material necessary to prepare students to take the State of Texas “TSBDE” Dental Assisting exam offered throughout the State of Texas, necessary to become a Registered Dental Assistant (RDA) in Texas. The additional state exam fee is the responsibility of the student (prices may vary).

COURSE FEE: $1,899 includes books

OPTIONAL EXTERNSHIP: $300

DENTAL ASSISTANT PROGRAM REQUIREMENTS:
To be considered for admission, it is the responsibility of the applicant to ensure that all program requirements are completed. Maximum enrollment – 14 students per class.

CPR TRAINING AT WC!
Professional instruction designed to meet American Heart Association criteria.

Week day and night classes also available. Call 817-598-8870.
REQUIRED PRIOR TO REGISTRATION:
- 18 years of age or older
- High school diploma, GED or college transcript
- COMPASS Reading Exam – Reading score must be 81 or above or TSI complete. (WC Testing Center – 817-598-6383)
- Valid Driver’s License (DL) or photo ID and signed Social Security (SS) card
- Satisfactory Criminal Background Check (WC is responsible for processing.)
- Hepatitis B - proof of all 3 immunizations or positive titer*  
  - Tuberculin Skin Test (TB) - proof of negative reading within 12 months of course completion date or chest x-ray required.
- Immunization fees are the responsibility of the student.

* A titer refers to the amount of antibodies found in a patient’s blood. Antibody titers can indicate immunities to diseases.

REQUIRED PRIOR TO OPTIONAL EXTERNSHIP:
- Your Resume
- Urine Drug Screen - Must be 9 or 10 panel with itemized negative results from a lab completed NO MORE THAN 30 DAYS PRIOR to externship. (Instant results and 5-panel not accepted.) Drug screen fees are the responsibility of the student.
- A second Satisfactory Criminal Background Check (WC is responsible for processing.)
- Based on externship site you may be required to complete additional tests/documents. (Fees are the responsibility of the student.)
- Students will not be allowed to begin the externship if all requirements are not met prior to first day of the externship. No refunds will be given.

ELECTRICAL TECHNICIAN CERTIFICATE
Continuing Education offers the basics to get you started on the road to be an electrician technician. This approximately seven-month, 192 hour program provides the basic understanding necessary for becoming an Electrical Apprentice. Cost is $1,200 plus books.

Topics include, but are not limited to:
- Basic Electrical Theory
- Basic Electrical Wiring
- Electrical Calculations
- NEC Electrical Code I
- NEC Electrical Code II

REQUIREMENTS FOR INDIVIDUAL ELECTRICIAN LICENSES:
- Master Electrician  
  - 12,000 hours of on-the-job training under the supervision of a master electrician  
  - Hold a journeyman electrician license for at least two years  
  - Passing score on the master electrician examination
- Journeyman Electrician  
  - 8,000 hours of on-the-job training under the supervision of a master electrician  
  - Passing score on the journeyman electrician examination
- Electrical Apprentice  
  - Be at least 16 years old  
  - Assisting in the installation of electrical work under the supervision of a master electrician

More information at Texas Department of Licensing and Regulation (TDLR) website: http://www.license.state.tx.us/electricians/eleclaw.htm

This certificate program is approved for WIA/Workforce funding.
BASIC ELECTRICAL THEORY – ELPT 1011
Basic theory and practice of electrical circuits. Includes calculations as applied to alternating and direct current. Text and calculator required. 64 contact hrs

BASIC ELECTRICAL WIRING – ELPT 1000
Presentation of the theory of residential electric circuits. Topics include load calculations and safety in electrical work, installation of wiring, load protection, ground fault, and other devices commonly used in 110-volt household applications. Text and calculator required. 32 contact hrs

ELECTRICAL CALCULATIONS I – ELPT 1015
Introduction to mathematical applications utilized to solve problems in the electrical field. Topics include fractions, decimals, percentages, simple equations, ratio and proportion, unit conversions, and applied geometry. Text and calculator required. 32 contact hrs

NATIONAL ELECTRICAL CODE I – ELPT 1025
An introductory study of the National Electric Code (NEC) for those employed in fields requiring knowledge of the Code. Emphasis on wiring design, protection, methods, and materials; equipment for general use; and basic calculations. Text and calculator required. 32 contact hrs

NATIONAL ELECTRICAL CODE II – ELPT 2025
In-depth coverage of the National Electric Code (NEC) for those employed in fields requiring knowledge of the Code. Emphasis on wiring protection and methods, special conditions, and advanced calculations. Text and calculator required. 32 contact hrs

Weatherford College Workforce and Continuing Education in partnership with Condensed Curriculum International, Inc. is offering an EKG Technician training program. Approximately a three month program.

PROGRAM SUMMARY: This comprehensive 70 hour program prepares students to function as EKG Technicians and to take the Electrocardiograph Technician National Certification Exam (EKGTNCE). This course will include important practice and background information on anatomy and physiology of the heart, medical disease processes, medical terminology, electrocardiography and stress testing. Students will practice with EKG equipment and perform hands on labs including introduction to the function and proper use of the EKG machine and the normal anatomy of the chest wall for proper lead placement.

COURSE FEE: $1,595 includes the textbooks, workbook, and consumable supplies. An additional $85 is required to take the EKGTNCE.

CERTIFICATION: Graduates will receive a WC certificate of completion and become eligible to sit for the EKGTNCE.

REQUISITE PRIOR TO REGISTRATION:  
• 18 years of age  
• High School Diploma, GED or college transcript  
• Valid Driver’s License (DL) or photo ID and signed Social Security (SS) card  
• Satisfactory Criminal Background Check (WC is responsible for processing.)

COURSE INFORMATION:

**EMSP**

**Emergency Medical Service Professions (EMSP) CEU’s**

Contact Greg Martin, Program Coordinator, EMSP Academy at 817-598-6234 to set up EMS classes for Continuing Education Units (CEU’s). Topics include, but not limited to:

- Airway Management
- Behavior & Psych Disorders
- Cardiology Airway Management
- EMS Operations
- Environmental Conditions
- Equipment & ID Skills
- Geriatric
- Illness & Injury Prevention
- Mechanism of Injury
- Medical Emergencies
- Medical Environmental Codes
- Medical Incident Command
- Medical Pediatric
- Patient Assessment
- Patient Assessment Documentation
- Patient Assessment Physical Exam
- Pedi – Child Birth
- Pedi – Pediatric Emergencies
- Pharmacology
- Respiratory Complications
- Shock and Resuscitation
- Skills Assessment
- Special Populations
- Trauma
- Trauma Head & Spinal
- Well Being of the EMT

And many more class topics to fulfill required CEU’s.

**GED PREPARATION**

WC and Weatherford ISD (WISD) are in a cooperative agreement to offer a GED preparation course for individuals wanting help in preparing to take the GED test. For more information, contact the WISD Community Services office at 817-598-2806.

**HEATING, VENTILATION & AIR CONDITIONING (HVAC)**

HEATING, VENTILATION & AIR CONDITIONING (HVAC) Technician Certificate

Take your first steps to becoming a Heating, Ventilation & Air Conditioning (HVAC) technician. Continuing Education offers the basics to get you started. As a Texas Department of Licensing and Regulation (TDLR) qualifying provider, our program offers classroom theory combined with hands-on experience for you to gain skills for employment in the field. Section 608 of the Clean Air Act of 1990 Refrigerant, Recycle, and Reclaim Certification Exam is included. The evening class completes in approximately 15 months. A maximum enrollment of 15 students ensures personalized instruction. All classes are held at the Education Center at Mineral Wells. Students are required to wear long pants and closed-toe shoes. Approximate total cost is $4,076 plus textbooks. Textbook and Study Guide required.

**ENGLISH AS SECOND LANGUAGE (ESL)**

ESL classes are offered free of charge to qualified participants through Weatherford ISD Community Services at 817-598-2806.

**FIREFIGHTERS**

Fire Academy, Continuing Education courses, and TCFP certification courses are offered on a regular basis on the main campus and off-site. Contact Public Safety Profession at 817-598-6347 for more information.
Topics include, but are not limited to:

**HVAC APPRENTICE $250**
- Shop Practices & Tools

**LEVEL I $480**
- Basic Electricity

**LEVEL II $1,426**
- Refrigeration Principles
- Air Conditioning Control Principles
- Professionalism in the Workplace
- Leadership Skills for Supervisors/Managers
- Heat Pumps

**LEVEL III $1,920**
- Residential AC System Design
- Gas and Electric Heating
- Special Topics in HVAC Mechanics and Repair
- EPA Recovery Certification Preparation
- Air Conditioning Installation and Startup

More information at Texas Department of Licensing and Regulation (TDLR) website: http://www.license.state.tx.us/acr/acr.htm

**NOTE:** Students are required to wear long pants and closed-toe shoes.

**WEATHERFORD COLLEGE WISE COUNTY**

NEW CLASSES BEGINNING IN FALL 2016

**TEXTBOOK & STUDY GUIDE REQUIRED ON FIRST DAY OF CLASS:**

*THE HANDS-ON APPRENTICE COURSE OR APPROVAL OF ONE DOCUMENTED YEAR OF WORK WITH A HVAC CONTRACTOR WILL BE THE PREREQUISITE FOR THE HVAC TECHNICIAN CERTIFICATE PROGRAM.

---

**HVAC APPRENTICE - SHOP PRACTICES & TOOLS – HART 1091**

Take the steps to become employed in the HVAC field by learning the necessary skills offered in this class. You will learn the identification of and use of proper tools, safety involved in the field of HVAC, shop practices, and basic employment skills. 32 contact hrs

---

**LEVEL I:**

**BASIC ELECTRICITY – ELPT 1011**
Basic theory and practice of electrical circuits. Includes calculations as applied to alternating and direct current. Emphasis will be placed on principles of electricity as required by HVAC, including proper use of test equipment, electrical circuits, and component theory and operation. Textbook and study guide required. 64 contact hrs

**LEVEL II:**

**REFRIGERATION PRINCIPLES – HART 1007**
An introduction to the refrigeration cycle, heat transfer theory, temperature/pressure relationship, refrigerant handling, refrigeration components, and safety. 80 contact hrs

**AIR CONDITIONING CONTROL PRINCIPLES – HART 1003**
A basic study of HVAC and refrigeration controls; troubleshooting of control components; emphasis on use of wiring diagrams to analyze high and low voltage circuits; a review of Ohm's law as applied to air conditioning controls and circuits. 48 contact hrs

**PROFESSIONALISM IN THE WORKPLACE – BUSG 1012**
Develop entry-level skills for the workforce. Includes professionalism, interpersonal skills, communication, problem-solving skills, business etiquette and attire, workplace civility, ethics, and employability skills. Emphasis on providing service to a diverse customer base including identification and fulfillment of customer needs. 7 contact hrs

**LEADERSHIP SKILLS FOR SUPERVISORS/ MANAGERS – BMGT 1020**
Concepts and skills of leadership in the work setting. Introduces leadership and motivational theories and leadership styles. Includes evaluation of leadership performance. 7 contact hrs

**HEAT PUMPS – HART 2049**
A study of heat pumps, heat pump control circuits, defrost controls, auxiliary heat, air flow, and other topics related to heat pump systems. 48 contact hrs

---

**Register Early!**

**CHANGE HAPPENS!**
Call before you drive to confirm the start time and location of your class.

817-598-8870
LEVEL III:
RESIDENTIAL AC SYSTEM DESIGN – HART 2045
Study of the properties of air and results of cooling, heating, humidifying; heat gain and heat loss calculations including equipment selection and balancing the air system. 48 contact hrs.

GAS AND ELECTRIC HEATING – HART 1045
Study of the procedures and principles used in servicing heating systems including gas fired furnaces and electric heating systems. 48 contact hrs.

SPECIAL TOPICS IN HVAC MECHANICS AND REPAIR – HART 1094
This course addresses recently identified current events, skills, knowledge and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. During this course the student will have the opportunity to participate in hands-on lab exercises and prepare for the certifying exam to meet compliance of Section 608 of the Clean Air Act of 1990 Refrigerant, Recycle, and Reclaim. 64 contact hrs

EPA RECOVERY CERTIFICATION PREPARATION & EXAM – HART 1056
This course provides certification training for HVAC refrigerant recovery and recycling. Instruction will provide a review of EPA guidelines for refrigerant recovery and recycling during installation, service, and repair of all HVAC and refrigeration systems. The student will be able to define refrigerant recovery, recycle and reclaim terms; explain refrigerant recovery, recycle, and reclaim procedures; analyze refrigerant recovery, recycle, and reclaim operation; identify Type I, Type II, and Type III appliances; examine and utilize Section 608 of the Clean Air Act of 1990 Refrigerant, Recycle and Reclaim to determine compliance. 32 contact hrs

AIR CONDITIONING INSTALLATION AND STARTUP – HART 2038
A study of air conditioning system installation, refrigerant piping, condensate disposal, and air cleaning equipment with emphasis on startup and performance testing. 64 contact hrs

must periodically demonstrate an appropriate level of individual improvement in physical conditioning during the Academy.

The intensive Academy curriculum and strict academic requisites require cadet immersion in the program. Therefore, cadets should expect to spend much of their non-class time, including weekends, studying.

Academy instructors are experienced peace officers from throughout the region and possess current field specializations and a strong desire to impart the benefits of their knowledge to an emerging workforce. The Academy strives to expose cadets to as many diverse instructor backgrounds as possible to achieve a well-rounded law enforcement education.

Qualified Academy applicants are eligible for the Workforce Education Grant (WEG), and VA and Hazelwood (Texas Vets) assistance.

In addition to tuition, cadets must purchase textbooks, uniforms and ammunition for shotgun, rifle and pistol. Purchase of a firearm is not required; the Academy provides shotguns, rifles and some pistols for training purposes.

FOR MORE INFORMATION, CALL THE PUBLIC SAFETY PROFESSIONS DEPARTMENT AT 817-598-6347.

ENTRANCE REQUIREMENTS:

• Obtain LEA application packet from the Public Safety Professions Department (call 817-598-6347)
• Complete Academy application
• Apply to WC online at www.applytexas.org
• Provide all higher education transcripts
• Provide military history (DD-214 full form)
• Must reach the age of 21 prior to the end of the academy
• Obtain Meningitis vaccination (see packet)
• Pass TCOLE criminal background check
• Pass medical condition evaluation (L-2)
• Submit passing COMPASS scores
• Pass a drug screen
• Pass psychological and emotional health evaluation (L-3)
• Attend orientation and complete physical assessment test
• Be a US citizen
• Not be currently under indictment for any criminal offense
• HS diploma or GED
• Not have had a TCOLE license denied by final order, or revoked

BASIC MACHINING CERTIFICATE - NEW!
A new series of courses designed to prepare students for successful employment in a manufacturing career. Competency-based instruction includes safe setup and operation of manual machines including lathes, mills, grinders, saws, drills and hand tools. Learn to operate, setup and program a variety of Computerized Numerical Control (CNC) machines, design and program using Computer-Aided Design (CAD)/Computer-Aided Manufacturing (CAM) systems and design tools and fixtures to increase productivity.

MCHN 1020 Precision Tools & Measurement 48 hrs
MCHN 1038 Basic Machine Shop I 64 hrs
MCHN 1041 Basic Machine Shop II 64 hrs
MCHN 2034 Operation of CNC Machining Centers 64 hrs
MCHN 2035 Advanced CNC Machining 64 hrs

The courses must be taken in the sequence listed above. Student is required to have a textbook and workbook for this class. Student must dress appropriately for lab exercises.

PRECISION TOOLS AND MEASUREMENT – MCHN 1020
An introduction to the modern science of dimensional metrology. Emphasis is based on conversion from decimals to fractions and back, measuring precisely with a variety of instruments. 48 contact hrs

WEATHERFORD CAMPUS
MCHN1020.W16 201-3/30 M W 6:00PM-9:00PM LART 122 $500+BK

BASIC MACHINE SHOP I – MCHN 1038
Introduction to machining fundamentals by using basic machine tools including the lathe, milling machine, drill press, and other tools. Machine terminology, theory, math, part layout and bench work. 64 contact hrs
WEATHERFORD CAMPUS
MCHN1038.W17 4/11-6/15  M W 6:00PM-9:00PM LART 122 $666+BK

BASIC MACHINE SHOP II – MCHN 1041
Identify machine parts and their functions; select layout tools and techniques; define machine shop terminology; perform basic machine setups; calculate common shop formulas; perform semi-precision layout; execute grinding techniques; demonstrate basic machine operations; and apply proper measuring tools. 64 contact hrs
WEATHERFORD CAMPUS
MCHN1041.W18 6/20-8/31  M W 6:00PM-9:00PM LART 122 $666+BK

OPERATION OF CNC MACHINING CENTERS – MCHN 2034
A study of CNC operations with an emphasis on vertical machining centers. 64 contact hrs
WEATHERFORD CAMPUS
MCHN2034.W15 6/20-8/31  M W 6:00PM-9:00PM LART 122 $666+BK

ADVANCED CNC MACHINING – MCHN 2035
The study of advanced CNC operation with an emphasis on Programming and operations of machining and turning centers. 64 contact hrs
WEATHERFORD CAMPUS
MCHN2035.W17 TBD  M W 6:00PM-9:00PM LART 122 $666+BK

MAINTENANCE
MECHANICAL MAINTENANCE
A course designed to build competency in mechanical maintenance, specifically electrical systems. The student will identify mechanical and electrical components; preform inspections, repairs and preventative maintenance. Textbook included. 48 contact hrs
EDUCATION CENTER AT MINERAL WELLS
CBFM2017.M16 2/05-4/08  F 12:30PM-5:00PM ECMW HVAC $725

Business and industry may be eligible for Skills Development training grant funds. For more information, contact Julie Lundy at 817-598-6387 or jlundy@wc.edu.

CELL PHONE POLICY
Use of cell phones during class is disruptive to other students and the instructor. If you must bring your cell phone or pager to class, make sure you turn the ringer off. If you need to take or make a call, quietly leave the room.

MEDICAL ASSISTANT CERTIFICATE PROGRAM
Weatherford College in partnership with Condensed Curriculum International, Inc. is offering a Medical Assistant training program. Approximately an eight month program.

PROGRAM SUMMARY: This program is intended for students who want to prepare for an exciting, challenging and rewarding career in healthcare. This program will train students to assist physicians by performing functions related to the clinical responsibilities of a medical office. Instruction includes among other things preparing patients for examination and treatment, routine laboratory procedures, diagnostic testing, technical aspects of phlebotomy and the cardiac life cycle. Students will review important topics including phlebotomy, pharmacology, the proper use and administration of medications, taking and documenting vital signs, cardiology including proper lead placements, a professional workplace behavior, ethics and the legal aspects of healthcare. This program includes 140 hours of classroom lecture and hands on labs and the off-site externship of 160 hours to provide students with a comprehensive learning experience. Externship hours will vary by class and location. To be eligible for the externship, students must successfully complete the 140 hour program. (Total 300 hours)

CERTIFICATION: Upon successful completion of this program, students who are at least 18 years of age, hold a high school diploma or a GED are eligible and have the option to sit for the National Healthcareer Association (NHA) Certified Clinical Medical Assistant (CCMA) national examination. The additional $150 exam fee is the responsibility of the student.

COURSE FEE: $2,399 includes books
MEDICAL ASSISTANT PROGRAM REQUIREMENTS:
To be considered for admission, it is the responsibility of the applicant to ensure that all program requirements are completed. Maximum enrollment – 15 students per class.

REQUIRED PRIOR TO REGISTRATION:
• 18 years of age or older
• High school diploma, GED or college transcript
• Valid Driver’s License (DL) or photo ID and signed Social Security (SS) card
• Satisfactory Criminal Background Check (WC is responsible for processing.)
• ALL state required immunizations (see Page 4)
• Immunization fees are the responsibility of the student.
• Current certification in CPR for Healthcare Providers - 4 hour class (2 year certification) required.

REQUIRED PRIOR TO EXTERNSHIP:
• Your Resume
• Based on externship site you may be required to complete a health exam and/or additional tests. (Fees are the responsibility of the student.)
• Letter from your health care provider stating you are free of all communicable diseases and cleared to participate in an externship.
• Urine Drug Screen - Must be 9 or 10 panel with itemized negative results from a lab completed NO MORE THAN 30 DAYS PRIOR to externship. (Instant results and 5-panel not accepted.) Drug screen fees are the responsibility of the student.
• A second Satisfactory Criminal Background Check (WC is responsible for processing.)
• Students will not be allowed to continue the program if all requirements are not met prior to first day of the externship. No refunds will be given.

MEDICAL CODING & BILLING

MEDICAL CODING & BILLING ONLINE CERTIFICATES
The Medical Coding & Billing online certificate programs prepare students in many of the procedures associated with billing for medical services. Students receive training in medical billing processes including patient account management, diagnosis and procedure coding and medical insurance claim processing. An understanding of medical terminology, human anatomy, physiology and human disease conditions is necessary for anyone in this field. Many of the programs listed below include taking a national coding certification examination. For information and registration, access http://careertraining.ed2go.com/wc.

MEDICAL BILLING AND CODING (MBC)
This course prepares students who have a strong medical background for an entry-level career in the healthcare industry. In this program, you’ll learn the three main code sets used within the industry: ICD-10/ICD-9, CPT, and HCPCS.
Online course at http://careertraining.ed2go.com/wc
240 HOURS $1,795

MEDICAL BILLING AND CODING + MEDICAL TERMINOLOGY
The Medical Billing and Coding + Medical Terminology Program will prepare students for an entry-level position doing medical billing and coding, while also learning human anatomy. Students learn the three main code sets used within the industry: ICD-10-CM, ICD-9-CM, CPT and HCPCS.
Online course at http://careertraining.ed2go.com/wc
300 HOURS $1,995

ADVANCED CODING FOR THE PHYSICIAN’S OFFICE
This is an advanced program designed for students with previous medical coding experience. This course will teach you diagnostic and procedural coding using CPT, ICD-9-CM (Volumes I and II), ICD-10-CM and HCPCS Level II coding manuals.
Online course at http://careertraining.ed2go.com/wc
100 HOURS $1,595

ICD-10 MEDICAL CODING
This program offers comprehensive, robust training in diagnostic and procedural coding, using the ICD-10-CM (diagnostic) and ICD-10-PCS (procedural) coding manuals.
Online course at http://careertraining.ed2go.com/wc
200 HOURS $1,795
REQUIRED PRIOR TO REGISTRATION:
• 18 years of age or older
• High school diploma, GED or college transcript
• Valid Driver’s License (DL) or photo ID and signed Social Security (SS) card
• Satisfactory Criminal Background Check (WC is responsible for processing.)
• ALL state required immunizations (see Page 4)
• Immunization fees are the responsibility of the student.
• Current certification in CPR for Healthcare Providers - 4 hour class (2 year certification) required.

REQUIRED PRIOR TO EXTERNSHIP:
• Your Resume
• Based on externship site you may be required to complete a health exam and/or additional tests. (Fees are the responsibility of the student.)
• Letter from your health care provider stating you are free of all communicable diseases and cleared to participate in an externship.
• Urine Drug Screen - Must be 9 or 10 panel with itemized negative results from a lab completed NO MORE THAN 30 DAYS PRIOR to externship. (Instant results and 5-panel not accepted.) Drug screen fees are the responsibility of the student.
• A second Satisfactory Criminal Background Check (WC is responsible for processing.)
• Students will not be allowed to continue the program if all requirements are not met prior to first day of the externship. No refunds will be given.

MEDICAL SECRETARY CERTIFICATE
Weatherford College in partnership with Condensed Curriculum International, Inc. is offering a Medical Secretary/Medical Administrative Assistant training program. Approximately a four month program.

PROGRAM SUMMARY: This comprehensive program will prepare students to perform a variety of secretarial tasks to support physicians, insurance representatives and other healthcare providers. These tasks may include maintaining physician’s appointments; answering telephones and providing related follow-up; coordinating patient appointments and the electronic medical record; transcribing medical correspondence as well as research and administrative documents; creating and distributing memos and letters; taking minutes; making travel arrangements and attention to detail to keep a medical office running smoothly. This program includes 50 hours of classroom lecture and hands-on labs and the off-site externship of 50 hours to provide students with a comprehensive learning experience. Externship hours will vary by class and location. To be eligible for the externship, students must successfully complete the 50-hour program. (Total 100 hours)

CERTIFICATION: Upon successful completion of this program, students who are at least 18 years of age, hold a high school diploma or a GED are eligible and have the option to sit for the National Healthcareer Association (NHA), Certified Medical Administrative Assistant (CMAA) national examination. The additional $105 exam fee is the responsibility of the student.

COURSE FEE: $1,199 includes books and consumable supplies

WC CAREER CENTER...
...can help you learn more about yourself and the “work” environment.

Resources include:
• BASIC SKILLS ASSESSMENT
• LEARNING RESOURCES
• CAREER PLANNING & COUNSELING
• LOCAL JOB POSTINGS
• RESUME-WRITING ASSISTANCE

Call 817-598-6498 for more information.
MEDICATION AIDE PROGRAM REQUIREMENTS:

To be considered for admission, the student must be currently employed as a Certified Nurse Aide or non-licensed direct care staff member in certain facilities (see below). It is the responsibility of the applicant to ensure that all program requirements are completed. Approximately a three-month program. Cost is $775. Program includes textbook and student liability insurance.

REQUIRED PRIOR TO REGISTRATION:

• Minimum age – 18
• Read, write, speak and understand English
• Satisfactory Criminal Background Check (WC is responsible for processing.) Department of Aging and Disability Services (DADS) may deny a person the opportunity to be examined for a medication aide permit because of a person’s conviction of a felony or misdemeanor if the crime directly relates to the duties and responsibilities of a medication aide. Call 817-598-6409 for more information.
• Valid Driver’s License (DL) or photo I.D. and signed Social Security (SS) card
• NOTARIZED COPY of unaltered, original high school diploma, GED or college transcript.
• ALL state required immunizations (see Page 4)
• Immunization fees are the responsibility of the student.
• ON CLASS START DATE, you must be a Certified Nurse Aide listed in active status on Texas (TX) Nurse Registry and currently employed in a TX facility licensed under TX Health and Safety Code Chapter 242.

...OR...

• ON CLASS START DATE, you must be employed as non-licensed direct care staff member in a TX facility licensed under Health and Safety Code Chapter 247, a TX Mental Retardation (MR) facility, TX state school for the mentally retarded, a TX MHMR program/facility that is operated under the jurisdiction of TDMHMR, or a TX correctional institution as established under the jurisdiction of the TX Department of Criminal Justice, and have at least 90 days previous employment in the 12 month period (1 year) preceding class start date.

• ON CLASS START DATE, you will be given an Experience Documentation Form which must be notarized and turned in to the instructor within 15 days of class start date.
• Must supply the name, address, and phone number of the above-stated facility, as well as the administrator’s name.
• ON CLASS START DATE, you will be given a General Statement Enrollment Form. This form and a $25 non-refundable exam application fee (cashier’s check or money order) made out to the Texas Department of Aging & Disability Services must be turned into the instructor within 15 days of class start date.

IT IS THE RESPONSIBILITY OF THE STUDENT TO ENSURE THAT THE FACILITY LISTED ABOVE AGREES TO ALLOW THE STUDENT TO PERFORM THE REQUIRED 10 HOURS OF CLINICAL TRAINING OR THE STUDENT MUST SECURE A DIFFERENT FACILITY FOR THE REQUIRED CLINICAL TRAINING.

THE DEFINITION OF A FACILITY DOES NOT INCLUDE HOME HEALTH AGENCIES, HOSPITALS, OR SKILLED NURSING FACILITIES (SNF) IN HOSPITALS. INDIVIDUALS WORKING IN HOME HEALTH OR HOSPITALS DO NOT QUALIFY TO TAKE THE TRAINING PROGRAM.

REQUIRED PRIOR TO CLINICAL:

• Urine Drug Screen – Must be 9 or 10 panel with itemized negative results from a lab completed NO MORE THAN 30 DAYS PRIOR to clinical (Instant results and 5-panel not accepted).
• Drug screen fees are the responsibility of the student.

TEXTBOOK DISTRIBUTED ON FIRST DAY OF CLASS.
MEDICATION AIDE FOR THE NURSE AIDE
Instruction in preparation and administration of designated medications by non-licensed nursing personnel employed in licensed health care agencies including the responsibilities associated with such administration. Students must be employed as Certified Nurse Aides on the Texas Nurse Aide Registry in active status and currently employed in a facility licensed under the Texas Health and Safety Code Chapter 242 on the class start date OR be employed on the class start date as a non-licensed direct care staff person in a facility licensed under Chapter 247 or an ICF-MR facility, state supported living center, or the Texas Department of Criminal Justice AND have 90 days previous employment in the year preceding the class start date. Individuals not meeting these requirements will not be enrolled in the course. Text required. 144 contact hrs

ONLINE CAREER TRAINING PROGRAMS
Ed2Go CAREER TRAINING PROGRAMS
Register now for our online career-training certificate programs provided by Ed2Go – leader in online certification programs. These programs prepare students for developing expertise in their desired career fields and/or prepare them for industry certifications exams. Although each course is self-study, each online course has an instructor assigned to answer student questions and help solve problems. Each program has specific learning outcomes related to industry standards.

These courses are not eligible for WEG funding.

Many more online non-credit career and workforce training programs open for immediate enrollment!
To register, visit: http://careertraining.ed2go.com/wc or call 817-598-8870.

COURSES INCLUDED BUT NOT LIMITED TO:
• CHARTERED TAX PROFESSIONAL
• PROJECT MANAGEMENT
• SYSTEMS SECURITY CERTIFIED PRACTITIONER (SSCP) TRAINING
• WEBMASTER
• CARPENTRY
• WIND ENERGY PROFESSIONAL

For complete course listing and to register, visit http://careertraining.ed2go.com/wc or call 817-598-8870.

ONLINE PERSONAL ENRICHMENT
EDUCATION TO GO (ED2GO) COURSES
All instructor-facilitated online courses run for six weeks (with a 10 day grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more. With more than 250 online courses you can complete any of the courses entirely from your home or office.
To get started:
1.) Visit our online instruction center at www.ed2go.com/wc to review our entire catalog.
2.) Click the Courses link; choose the department and course title you are interested in and select the Enroll Now button. Follow the instructions to enroll and pay for the course. Here you will choose a user name and password that will grant you access to the classroom.
When your course starts, return to our Online Instruction Center and click the Classroom link. To begin your studies, simply log in with the user name and password you selected during enrollment.

START DATES:  Jan 13, Feb 10, Mar 16, Apr 13, May 18, Jun 15, Jul 13, Aug 17

FEE: Most of these courses start at $99. These courses are not eligible for WEG funding.

COURSES INCLUDED BUT NOT LIMITED TO:
- RESUME WRITING WORKSHOP
- BEGINNING WRITER’S WORKSHOP
- CREATING MOBILE APPS WITH HTML5
- WHAT’S NEW IN MICROSOFT OFFICE 2013
- INTRODUCTION TO WINDOWS 8
- C++ FOR THE ABSOLUTE BEGINNER

For complete course listing and to register, visit www.ed2go.com/wc or call 817-598-8870.

360 TRAINING COURSES

For complete course listing and to register, visit www.360training.com/weatherford or call 817-598-8870.

OPHTHALMIC ASSISTANT
Weatherford College Workforce and Continuing Education in partnership with Condensed Curriculum International, Inc. is offering an Ophthalmic Assistant training program. Approximately a two month program.

PROGRAM SUMMARY: This comprehensive 50 hour program will prepare students to work with patients under the direction of Ophthalmologists to administer routine eye exams, diagnostic tests, measure and record vision, test eye muscle function, handle pre and post-operative exams for cataract surgery and visual field exams for glaucoma or neurological patients, provide contact lens education, give eye medications, and maintain optical instruments.

COURSE FEE: $999 which includes books and consumable supplies.

CERTIFICATION: Upon successful completion, graduates will receive a certificate of completion from Weatherford College. Once employed in the field of Ophthalmology and meeting certain work requirements, students will be able to sit for the American Academy of Ophthalmology (AAO) - Ophthalmic Medical Assisting exam under the sponsorship of their employer (ophthalmologist). Successful completion of this exam serves as the prerequisite for a written certifying examination for Ophthalmic Medical Assistants offered by the Joint Commission on Allied Health Personnel in Ophthalmology (JCAHPO) which leads to National Certification.

REQUIRED PRIOR TO REGISTRATION:
- 18 years of age
- High School Diploma, GED or college transcript
- Valid Driver's License (DL) or photo ID and signed Social Security (SS) card
- Satisfactory Criminal Background Check (WC is responsible for processing.)

PHARMACY TECHNICIAN
Weatherford College Workforce and Continuing Education in partnership with Condensed Curriculum International, Inc. is offering a Pharmacy Technician training program. Approximately a three to four month program.

PROGRAM SUMMARY: This comprehensive 84 hour program will prepare students to work as a pharmacy technician in a retail or other pharmacy setting and to take the Pharmacy Technician Certification Board’s PTCB exam. Course content includes: pharmacy medical terminology, the history of pharmacy, the pharmacy practice in multiple environments, pharmacy calculations and measurements, reading and interpreting prescriptions and defining drugs by generic and brand names. Through classroom lecture and hands on labs, students will review dosage calculations, drug classifications, the “top 200...
drugs”, I.V. flow rates, sterile compounding, dose conversions, aseptic technique, the handling of sterile products, total parental nutrition (TPN), dispensing of prescriptions, inventory control and billing and reimbursement.

**COURSE FEE:** $1,399 which includes books, and consumable supplies.

**CERTIFICATION:** Upon successful completion, graduates will receive a certificate of completion from Weatherford College, become eligible to apply for registration as a Pharmacy Technician in Texas, and be prepared to sit for the national Pharmacy Technician Certification Board (PTCB) Exam. Student is responsible for PTCB exam fee of approximately $129.

**REQUIRED PRIOR TO REGISTRATION:**
- 18 years of age
- High School Diploma, GED or college transcript
- Valid Driver’s License (DL) or photo ID and signed Social Security (SS) card
- Satisfactory Criminal Background Check (WC is responsible for processing.)
- Hepatitis B - proof of all 3 immunizations or positive titer*

*A titer refers to the amount of antibodies found in a patient’s blood. Antibody titers can indicate immunities to diseases.

CELL PHONE POLICY
Use of cell phones during class is disruptive to other students and the instructor. If you must bring your cell phone or pager to class, make sure you turn the ringer off. If you need to take or make a call, quietly leave the room.
NOTE: Students are required to wear long pants, long-sleeve shirt, and steel-toe shoes. Students must supply helmet, gloves, safety goggles, 4” grinder, chipping hammer, welding pliers, and textbook. Attendance must meet 80% rule and skills must be completed at 80% level.

This certificate program is approved for WIA/Workforce funding.

INTRODUCTION TO WELDING – WLDG 1000
Equipment used in oxy-fuel and arc welding. Includes cutting of ferrous metals. Emphasizes welding and cutting safety and basic welding processes. 48 contact hrs

FUNDAMENTALS OF GMAW – WLDG 1002
Setup and safe use of GMAW equipment as well as instruction in various basic weld joints. 48 contact hrs

INTRO TO WELDING USING MULTI-PROCESSES – WLDG 1007
Basic welding processes. Includes oxy-fuel welding (OFW) and cutting, shielded metal arc welding (SMAW), flux cored arc welding (FCAW), gas metal arc welding (GMAW), and gas tungsten arc welding (GTAW). 48 contact hrs

FUNDAMENTALS OF OXY-FUEL WELDING AND CUTTING – WLDG 1004
Instruction in proper setup and use of oxy-fuel welding and cutting equipment and maintenance of such. 48 contact hrs

FUNDAMENTALS OF GAS TUNGSTEN ARC WELDING (GTAW) – WLDG 1006
Setup and safe use of GTAW equipment as well as instruction in flat positions on joint designs. 48 contact hrs

AWS LEVEL I CERTIFICATION REVIEW – WLDG 1040
A review of various welding processes, welding terminology, and welding technology curriculum. 48 contact hrs

INTRODUCTION TO BLUEPRINT READING FOR WELDERS – WLDG 1013
A study of industrial blueprints. Emphasis placed on terminology, symbols, graphic description, and welding processes. Includes systems of measurement and industry standards. Also includes interpretation of plans and drawings used by industry to facilitate field application and production. 48 contact hrs

THE WEEKEND WELDER (MAINTENANCE WELDING)
Learn the basic techniques and principles of welding for career skills or home shop. An introduction to oxy-fuel and arc welding, cutting practice and procedures, and welding safety. Students will select a project and provide project materials. This course is not part of the Basic Welding Technology Certificate. Students are required to wear long pants, long-sleeve shirt, and closed-toe shoes. Appropriate Proper Protective Equipment (PPE) must be worn or students will be dismissed from class.

Contact Julie Lundy at 817-598-6387 or jlundy@wc.edu to determine if your business will qualify!

WANT TO BE A HVAC TECHNICIAN?
Complete a fast-track day program in seven months! Includes EPA certification. Check it out on pages 14-16!
**FREQUENTLY ASKED QUESTIONS**

**WHEN CAN I REGISTER FOR CONTINUING EDUCATION COURSES?**

Fall Registration packets will be accepted for all programs beginning December 1 at all WF/CE offices. Registrations are processed on a first-come, first-served basis. You may register until the first day of class if space is available. Due to the minimum number of students necessary for classes to be held, you are encouraged to register at least one week before the class starts.

**HOW DO I REGISTER AND PAY FOR MY CLASSES?**

There are several convenient methods. You may register in person at the Continuing Education office on any of the four campuses, by mail using a registration form at the back of this schedule or by fax.

Payments must be made at the time of registration. We accept cash, checks, money orders and credit cards (American Express, Discover, Master Card, VISA, and debit cards). Payments can be made by phone at 817-598-6265. Payments by mail must be in the form of check or money order. Payment from a company or state agency is also accepted. Call 817-598-8870 for more information. Please note: If you have a past due balance, a hold (which prevents registration) will be placed on your account.

**HOW CAN I RECEIVE FINANCIAL ASSISTANCE?**

Limited scholarship funds are available through the Workforce Education Grant (WEG), formerly TPEG for Continuing Education students. Eligibility is based on individual financial need and student enrollment in career or occupational courses. Funds awarded to eligible students will be applied directly to the course tuition. WEG funds will be awarded until the funds for Continuing Education are depleted. Applicants must complete the WEG application and allow 2 weeks minimum processing time before class start date. The Continuing Education registration form and WEG form are due at the Continuing Education main campus office 10 business days before class begins to allow sufficient processing of information.

Some certificate programs are certified through the Workforce Investment Act (WIA) at the North Central Texas Workforce. Please contact the North Central Texas Workforce office at 817-594-0049 to determine if you qualify for paid job training.

**WHAT IF MY CLASS IS CANCELLED?**

At times, classes may be cancelled due to low enrollment. Every effort is made to notify all registered students at the phone number(s) listed on the registration form. A full refund is processed unless you decide to transfer to another course or section.

**WHAT IF I MUST DROP A CLASS?**

Cancellations must be received at least one business day prior to the first day of class in order to receive a 100% course refund. No refunds or transfers will be made on or after the first class day.

**WHAT IS THE REFUND POLICY?**

If a student withdraws before the first day of class or if the class is cancelled, a refund is mailed from the college business office. A refund generally takes four weeks to be processed. No refunds will be made on or after the day the class begins.

**DO I NEED A PARKING PERMIT?**

At time of registration, Continuing Education students must obtain a parking permit based on the following:

- Classes for 14 days or less – no charge
- Classes for more than 14 days – $2.00

Parking permits may be obtained at the Continuing Education office.

**DO I NEED A STUDENT ID?**

A WC Student ID will allow you to access campus resources and services.

**WHERE DO I BUY MY BOOKS AND SUPPLIES?**

New and used books may be purchased at the Weatherford College Bookstore located in the Doss Student Center. The bookstore is open Monday through Thursday 7:45 a.m. – 5:00 p.m. and Friday 8:00 a.m. – 4:00 p.m. Summer hours are Monday through Thursday 7:45 a.m. – 5:30 p.m. and closed Fridays. If the class does not make, full refunds will be given only for books, diskettes and CD ROMs if unused, unmarked and accompanied by the receipt. The bookstore number is 817-598-6286.

**WILL I RECEIVE A GRADE FOR COMPLETION OF A CONTINUING EDUCATION COURSE?**

Yes, you will receive a grade of Satisfactory (S) or Unsatisfactory (U) based on course work and at least 80% participation in the course.
WILL I EARN CEUs FOR WORK-RELATED TRAINING?

Yes, most work-related training is measured in Continuing Education Units (CEUs). Nationally recognized, one CEU represents 10 class hours of participation. A CEU certificate will be given to students who successfully meet the course completion requirements.

A Workforce & Continuing Education transcript may be requested from the Student Services Office (STSV) at no charge. The request must include your name, social security number, and/or student ID number. In order for Continuing Education courses to appear on your transcript, you must request a combined transcript.

Workforce & Continuing Education has established an “Articulation Agreement” in order to convert CEUs to semester credit hours for certain courses taught by SAC’s credentialed instructors under the specific conditions of the agreement. Completion of the Articulation Agreement enables the student to apply hours earned toward a credit certificate or degree. Transference does not impact the student’s grade point average.

WHO DO I NOTIFY REGARDING SPECIAL SERVICES AND STUDENT ACCOMMODATIONS?

Services for students with disabilities or special educational needs are available through the Student Services Office. If you are a student with a disability and need special accommodations, contact the Special Services Director at 817-598-6350. Requests need to be on file before the class begins.

WILL I HAVE ACCESS TO THE WEATHERFORD COLLEGE LIBRARY WHILE ENROLLED IN CONTINUING EDUCATION CLASSES?

Continuing Education students may access all Weatherford College Library services with their student ID.

HOW DO I KNOW IF CLASSES ARE CANCELLED BECAUSE OF INCLEMENT WEATHER?

If severe weather causes the College to delay opening for classes and/or scheduled events or close entirely, information will be relayed to students and staff as soon as possible through the Coyote Alert System, as well as posted on our Web site, (www.wc.edu), and recorded at our main switchboard number, 817-594-5471.

Additionally, information will be announced on local radio station KYQX 89.5 FM and on area media: KXAS, Channel 5 TV; KJSA 1140 AM (Mineral Wells); KTFW 92.1FM/1460 AM; WBAP 820; KDFW, Channel 4; WFAA, Channel 8, and KTVT, Channel 11.

HOW MAY I PLACE AN ITEM OF CONCERN (GRIEVANCE/APPEAL) ON RECORD?

A concern regarding a Continuing Education class or an appeal to a student dismissal from a Continuing Education class must be filed within 5 days of the incident. An “Item of Concern” form may be obtained from the Continuing Education staff on any campus.

IS THERE A SENIOR CITIZEN DISCOUNT AVAILABLE FOR CONTINUING EDUCATION CLASSES?

If you are 65 years or older and request the Senior Citizen Discount at registration, you may be eligible to receive discounted tuition for certain classes. A copy of your current driver’s license must accompany the registration form.

MAY I ENROLL IN A CONTINUING EDUCATION CLASS IF I AM UNDER THE AGE OF 18?

If you are under 18 years of age, a Continuing Education administrator and the course instructor must approve any waiver of age limitations for a course. A “Consent/Release” form must be completed at registration for any minor and requires the signature of a legal parent or legal guardian.

DO I NEED A MENINGITIS VACCINE?

No, if you are only enrolling in Continuing Education courses or programs less than 360 hours. You will need the vaccine if you are enrolling in academic credit courses, are under 30 years of age, and a new student who has never previously attended an institution of higher education or a student who has previously attended an institution of higher education and is re-enrolling in the same or another institution after a break in enrollment of at least one fall or spring semester. Proof of meningitis vaccination must be received at least 10 days prior to the class start date. Meningitis vaccination is not required for students enrolled in only online courses or other distance education courses or who are 30 years of age or older.

CERTIFICATES & PROGRAM QUALIFICATIONS

All certificates will be issued exclusively to students who enroll in the designated classes at Weatherford College and successfully complete the designated course work. Course offerings vary by semester. In order for a class to be held, a minimum number of students is required. No refunds on or after the start day of the class.
Weat must obtain a parking permit based on the following schedule:

- Workforce and Continuing Education students must register and obtain a college parking permit before operating their vehicles on campus property. At time of registration, Workforce and Continuing Education students must obtain a parking permit based on the following schedule:
