

Interested in having an OB ultrasound through Weatherford College?

Please, read the following requirements:

- Must be under the care of an OB/GYN physician & **previously received an ultrasound from that facility.**
- Must be between **16 weeks & 36 weeks.**
- **If you do not meet both of these requirements, we will not perform the ultrasound.**

OB exams will be scheduled from February 2020 to April 2020 from 9:00AM- 11:00AM. This is our student's OB lab time. All regular (2D) ultrasounds are FREE to the public!

- Please plan to be at the college for approx. 1 hour. Two students & an OB/GYN registered ultrasound tech will scan your baby. **We cannot give you a diagnosis.** We offer this service to help train our students & are extremely grateful you are helping us advance their education.
- We can give you an estimated fetal weight & let you know gender if visualized.
- We will print images out for you!
- Because of space limitations, we can only accommodate two people in the room during the ultrasound.

Interested in having a 3D/4D ultrasound through Weatherford College?

- 3D/4D spaces are **limited.** You **MUST be between 28 - 32 weeks** in order to have a 3D/4D ultrasound performed. **Please, keep in mind that currently we cannot accommodate all 3D/4D requests.**
- 3D/4D ultrasounds are a **nonrefundable \$50.00** **We will dedicate approx. 10 minutes of EXTRA TIME to obtain 3D/4D images** Good 3D/4D ultrasound images are dependent on baby's position, amount of amniotic fluid around the face, as well as multiple other things. Please, be aware that we cannot guarantee obtaining great images.
