

Interested in having an OB ultrasound through Weatherford College?

(Response time to be scheduled for an appointment could be up to 5 business days).

Please, read the following requirements:

- Must be under the care of an OB/GYN physician & **previously received an ultrasound from that facility.**
- Must be between **16 weeks & 36 weeks.**
- **If you do not meet both of these requirements, we will not perform the ultrasound.**

OB exams will be scheduled from February 2019 - April 2019 on Wednesday mornings (9:00AM, 10:00AM, & 11:00AM) only. This is our student's scheduled lab time. All regular (2D) ultrasounds are FREE to the public!

- Please plan to be at the college for approx. 1 hour. Two students & an OB/GYN registered ultrasound tech will scan your baby. **We cannot give you a diagnosis.** We offer this service to help train our students & are extremely grateful you are helping us advance their education.
- We can give you an estimated fetal weight & let you know gender if visualized.
- We can either **print** images for you OR copy them to a flash drive you provide.
- Because of space limitations, we can only accommodate two people in the room during the ultrasound.

Interested in having a 3D/4D ultrasound through Weatherford College?

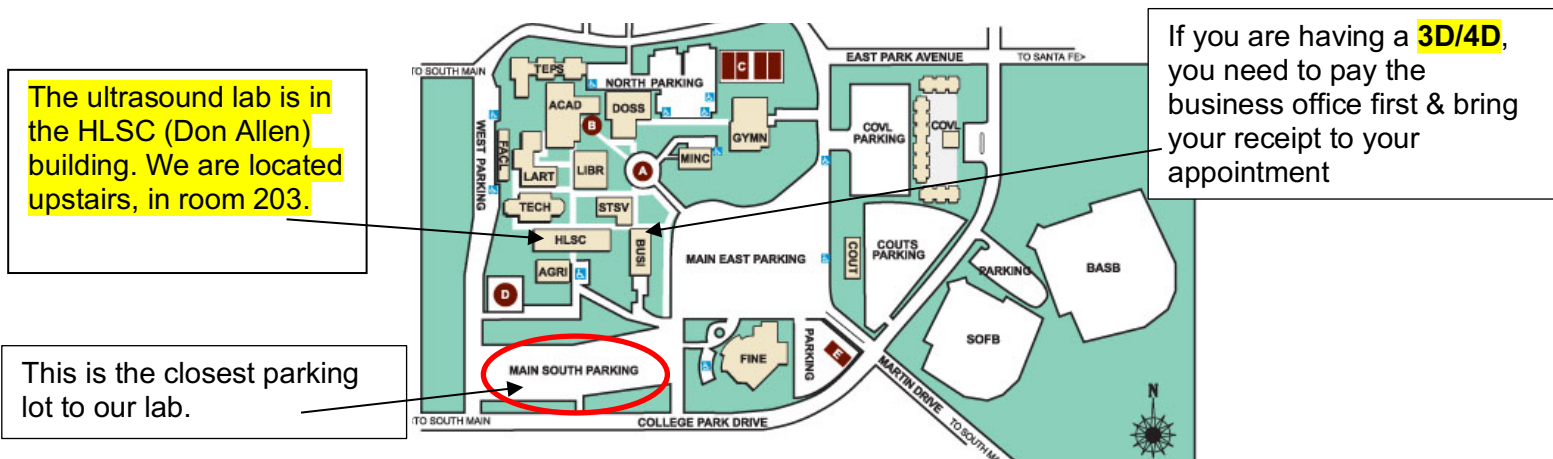

- 3D/4D spaces are **limited. You MUST be between 28 - 32 weeks** in order to have a 3D/4D ultrasound performed. **Please, keep in mind that currently we cannot accommodate all 3D/4D requests.**
- 3D/4D ultrasounds are a **nonrefundable \$50.00** **We will dedicate approx. 15 minutes to obtain 3D/4D images** Good 3D/4D ultrasound images are dependent on baby's position, amount of fluid in front of the face, as well as multiple other things. Please, be aware that we cannot guarantee obtaining great images.

Please e-mail this information to kstaub@wc.edu to make an appointment:

Name & phone number:	Physician Name:
Estimated Due Date:	How many weeks are you?
Date & results of previous ultrasound (was everything normal)?	

LOCATION:

- The college address is **225 College Park Drive Weatherford, Texas 76086**. This campus map of Weatherford College will make it easier to find our location. The "COUT" building will give you a visitor-parking pass for the day.

Please call (817) 598-6494 the day of your appointment if you are running late or need further directions.
