Appropriate Personal Protective Equipment (PPE) required:
- Safety glasses, Clear lens required for all activities even under-helmet work. Students must obtain one pair of clear safety glasses or prescription glasses wearers may use clear side shields in place of safety glasses if approved by instructor. Students may also use goggles over prescription glasses.
- Leather welding gloves.
- Welding helmet (Auto-tint with Adjustable Shade Range 4/9-13 preferred). Other or fixed-shade with instructor approval.
- Leather boots (Steel of composite toe protection preferred but not required. Non-laceup boots preferred).
- Heavy material long pants, like jeans. Fire resistance material preferred. No shorts allowed.
- Long sleeve shirt (prefer fire resistant material but not required)
- Long sleeve jacket, like Levi jacket (leather welding jacket prefer but not required)
- Short bill welders cap (no plastic or mesh baseball caps)
- Respirator with NIOSH approved OV/P100 filter. (Example: 3M 6000 Series Half Face piece Reusable Respirator and 3M 2097 cartridges)

Equipment required:
- One 4" or 4-1/2" small hand-held angle grinder. (Example: Bosch 1375A, Makita GA4030K, or equivalent)
- One chipping hammer
- One welding pliers
