

*Weatherford College participates in a program of early admission for qualified students who have not graduated from high school, based on the Texas Administrative Code (TAC) for Dual Credit Partnerships between secondary schools and Texas public colleges (Title 19, Part 1, Chapter 4, Subchapter D, Rule 4.85). The local school board must approve the program before a student will be eligible to enroll.*

**Early Enrollment Students Must:**

- Demonstrate college readiness through TSI (Texas Success Initiative) or other approved assessments (e.g., STAAR EOC, ACT, SAT, TSI).
- Meet all regular prerequisite requirements designated for the desired course(s).

**An Early Enrollment Student:**

- Will be admitted by conditional entrance upon acceptance to Weatherford College. Once the student completes high school requirements for graduation, an official high school transcript with the date of graduation must be sent to the Weatherford College Student Services Office. An official WC transcript will not be issued until the official high school transcript is received.
- Placed on academic probation (cumulative GPA below 2.0) must be counseled by the high school counselor prior to enrolling in subsequent semesters.
- Enrolling as a dual credit student requesting reduced tuition based on the Federally Funded Free/Reduced Meal Program must complete the Dual Credit Tuition Exemption form before enrolling in the WC Course.
- Signing this form gives WC permission to release his/her dual credit college course grade(s) to his/her high school upon request from the appropriate high school representative.
