BACHELOR'S DEGREE CONFIRMATION

When completing your Free Application for Federal Student Aid (FAFSA,) you answered, "yes" to question 28; "will you have your first bachelor's degree before you begin the 2017-2018 school year." You may have also indicated that you are enrolled in a graduate/professional degree program (questions 29, 30 and/or 48). Answers to all or any of these questions may indicate you have earned a bachelor's degree prior to the start of classes at Weatherford College and can result in denial of Pell Grants.

Awarding of a bachelor's degree must be confirmed.

Please sign the appropriate line, indicating whether you have earned, or will earn, a bachelor's degree or not. If you have been awarded a bachelor's degree, indicate the date of graduation.

I DO NOT have a bachelor's degree and will not have one before I begin the 2017-2018 school year.

Note: Weatherford College does not offer professional or advanced (Master's or Doctorate) degrees. It may be necessary, therefore, to update questions 29, 30, and/or 48 on your FAFSA. Corrections may be made by logging onto and re-signing your FAFSA.

#29 and 30 – if you have already earned a degree and/or starting a new program your classification is "1st year."

#48 – "At the beginning of the 2017/18 school year, will you be working on a master's or doctorate Program." The answer, if you are attending Weatherford College, will always be "no."

If you update any or all of the above questions on your FAFSA, you **MUST** inform your financial aid advisor that a change has been made.

WARNING: If you purposely give false or misleading information on this worksheet, you may be fined, sentenced to prison, or both.
