

**Verification of Non-filing (VNF) statement is for Independent Students/Spouses
who are unable to obtain a VNF letter from the IRS.**

Individuals who did not file taxes and were not required to file taxes are required to obtain verification of that status from the IRS or other tax authority. If the individual has made a good faith effort to obtain the verification but was not able to obtain it they may submit this completed, signed statement including any required supporting documentation through their WC Aid Verification account.

Student Name: _____ Student ID: _____

Name of Nontax filer: _____ SSN: _____

Relation to student: Self Spouse *(each person claiming Nonfiling status must complete a separate form)*

I certify that I have attempted to obtain the Verification of Nonfiling status letter from the IRS but am not able to.
(In the following space explain your attempts to get the documentation including dates and method of attempts - DO NOT LEAVE BLANK):

I certify that I have not filed an income tax form for the 2016 tax year and am not required to file a tax form for that year. In the following space I have listed all sources of income and amounts earned by me in the 2016 year from all sources (e.g. work, self-employment, etc.):

Name of Nontax filer	Source of Income (Report income from working not shown on W-2's) If NO income was earned in 2016, write "NONE."	Amount Earned in 2016

I understand that I will also be required to upload all W-2 forms verifying the amounts listed above through employment, and may be required to provide other supporting documentation of income based on my answers in the above certification. (If there was no income earned or received in the 2016 tax year DO NOT LEAVE the above section blank, but indicate NO INCOME in the space provided.)

I certify this statement is true and complete, and request that it be considered as a replacement for the official IRS Verification of Nonfiling status letter.
