Click here if you want to ACCEPT/DECLINE loans. No action is needed if you do NOT want to accept or decline loans.

Master Promissory Note and Entrance Loan Counseling are only needed IF you are accepting loans.

Step 7
You can accept the full amount or lower the amount of the loan offered by using the arrow keys under the total amount. Then you must either Accept or Decline the amount listed. Then scroll to the bottom of the page to select the appropriate box.
This shows the amount you have been awarded based on your selection on the previous page.

Notice there are no options now to accept/decline loans.
If you later decide that you need to update the amount of your loans, you can complete a Loan Revision Form. This is on our website [https://www.wc.edu/financial-aid/forms-documents](https://www.wc.edu/financial-aid/forms-documents) then click on the appropriate link for the year of the update. You also can get the form at any of the WC locations.

**Notice**

The ‘Date Accepted’ for the Loans now has a date listed.

Click on ‘Campus Connect’ and then follow steps 3 & 4 to get to the Financial Aid section.

Go to studentloans.gov if you have not completed the Entrance Loan Counseling or the Master Promissory Note.
